Dedication

We, the Class of 1952, are proud to dedicate this annual to Miss Eva Marie Taylor, who resigned last summer after having taught Latin and English in the Ashley High School for thirty-one years.

We hope this dedication will convey in part the appreciation of all her students from the class of 1920 to the present for her patience, kindness, and personal interest in each of us.

We wish her prosperity and happiness in the years to come.

A TRIBUTE TO OUR SPONSOR AND PRINCIPAL

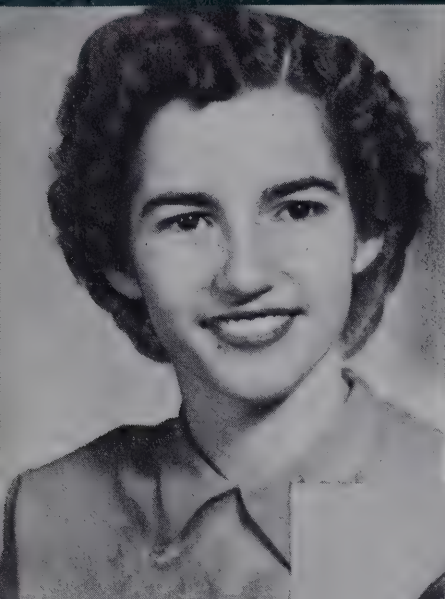

We want to thank Mr. Fred Frederick, our sponsor and principal for the assistance, even the scoldings, and the encouragement that he has given us in the past years. For some of us it has only been the last four years and for others it has been for all twelve.

Now that the end is near we deeply appreciate all that he has done for us.

Thank You! Mr. Frederick!

Class History

SCHOOL DAYS, SCHOOL DAYS, GOOD OLE GOLDEN RULE DAYS!

On September 7, 1949, thirty-eight eager Freshmen entered Ashley High School. We held our first class meeting to elect Donna Walker, President; Ronald Parker, Reporter; Ann Ellert, Historian; and Virginia McDonald, Sponsor. In January, Virginia Voges, Lou Ann Call, and Bonita DeLong left and Paul Robbins came from Michigan. Several of the girls were in the play, "Three Taps on a Wall," directed by Mrs. Arney and Mr. Cook. We had one party--a skating party at the Silvermoon Rink.

WHEN WE WERE SWEET SIXTEEN

Next came our Sophomore year. The majority of us were now sweet sixteen and were beginning to feel grown up. Doris Chapman, Jerome Ellert, Max High, Richard Treesh, and Doris Newcomer did not come back to join us on our journey to Seniordom. Opal Mae Dick from Angola joined us and on March 14, 1950 Angus Burch came from Edon, Ohio. Tom Brand served as President; Ronald Parker, Secretary; Tommy Harmes, Treasurer; Donna Walker, Reporter; LaVon Hasselman, Historian; and Paul Everitt, Sponsor. We chose white and gold as our class colors and the American Beauty rose as our flower. We ordered our class rings on October 10, 1949, and received them on December 21, 1949. On November 5, that year--the class sponsored a square dance at the town hall. We held two parties that year, a barn dance at Elenor Mavis' and a potluck supper at school, later going to the show at Angola.

A BICYCLE BUILT FOR TWO

First of all, like a big business firm, we elected Lawrence Wiler, President; Ann Ellert, Vice-President; Gaylee Snyder, Secretary; Donna Walker, Treasurer; and Dollie Arney, Sponsor. We presented our play, "Aunt Samantha Rules the Roost," on November 18, after which we heard the chanting of, "Ain't that the Truth," in all the halls of old AHS. We sold hot dogs, candy, peanuts, ice cream and went door to door selling Christmas cards. Next we had a bake sale to add to a good sum to our trip fund. At Christmas time we had a candlelight supper and a gift exchange by the light of the Christmas tree. In May the Juniors entertained the Seniors on a four day trip through Indiana, Kentucky, and Ohio. A very busy year, but we all made it through.

THE END OF A PERFECT DAY

To guide us through this busy year we elected LaVon Hasselman, President; Ann Ellert, Vice-President; Donna Walker, Secretary; Lynn Johnson, Treasurer; Joann Wilhelm, Historian; and our principal, Mr. Frederick, Sponsor. During the summer one of our classmates, Opal Mae Dick, married Dick Holsinger; but otherwise we came back to ole AHS, thirty-one strong. We chose "GreenValley" for our play and presented it on December 1. We counted our pennies and bought dark curtains for the skylights to darken the assembly. We were one of the first classes to buy a gift for the school and also get to use it. After the play we went right to work on the annual. We chose our commencement speaker, planned our programs, and began dreaming of the class trip. In March we began planning our class night program. By the time May rolls around many of us will be thinking of June weddings, farming and helping Uncle Sam.

---Joann Wilhelm

Dayton Funk's picture is on several leading magazines as the new Mr. Atlas.
Pat Hanes is now the tall woman in the circus; she's grown.
Tom Harmes is appearing in, "The Great Lover" as the second Clark Gable.
LaVon Hasselman is the chief telephone operator at Ashley.
Richard Heath is still "mooning" his expedition to the moon hasn't been heard of.
Lynn Johnson is still riding around on his motorcycle. Wonder why?
Elenor Mavis, what happened to that little red Chevie? I notice you are still driving that great big Buick.
Louis Miller is running for the Governor of Indiana. Good luck.
Phyllis Miller has only one little girl. What happened to the dozen?
Wayne Orwig is teaching Chemistry at Ashley High.
Ronald Parker is a veterinarian, after long, hard study.
Joyce Perkins is still "putting" as she puts up her customers hair.
Leo Pfefferkorn who has been to barber school now has a shop of his own in Ashley.
Merritt Shipe has quite a passel of kids on that two hundred acres of land in Fairfield Township.
Gaylee Snyder is the foreman of McClellan's Fix-It-Shop.
Donald Stackhouse has finally talked Pat into raising little Stackhouses.
Bill Stonebraker says that experience is the best teacher; he is the traffic judge in DeKalb County.
Harlin Strite is still the popular play; catch 'em, kiss 'em, and forget 'em.
Evanell Sutherland finally got her man with those cakes she bakes.
Bertha Voges' yodeling has set many a man's heart on fire.
Donna Walker thinks the boss's lap is very comfortable now since she is his private secretary.
Lawrence Wiler's gift of gab has really made for his collecting junk.
Joann Wilhelm is the girl we should envy; she is the owner of the dry cleaning establishments in the surrounding area.
Ralph Clark is the pro-basketball player from our class.

Senior Will

We, the Class of 1952, being mentally sound, do declare this to be our last will and testament.

To the school as a whole, we leave all the scratches, unused text books, and the money that we do not manage to spend.

To the Juniors, we leave all the desks and seats in the southeast corner of the assembly room.

To the Sophomores we leave five cents to start a sinking fund for their Junior-Senior trip.

To the Freshmen, we leave this suggestion, "Work to the End."

To the janitors we leave the good earth that we brought in on the soles of our shoes.

In addition, we, the following individuals, do hereby will these prized possessions:

I, Marcia Allen, will my ability to go with a Mavis to no one because I haven't managed to hook one myself, yet.

I, Naomi Berryhill, will all the rest of the boys at Kendallville to Shirley Metzgar as I have the cream of the crop.

I, Thomas Brand, will my love for Miss Dunn to Mr. Everitts.

I, Ralph Clark, will my ability to skip school to John Shipe.

I, Marcella Danner, will my art box to Dolly Arney so that she will have the equipment to teach art next year.

I, Donald Dapp, will my seat in the corner to any Junior who, like I did thinks he can get away with everything he tries.

I, Edward DeLucenay, will my good attendance record to Pat Walker.

I, Ann Ellert, will my job to anyone who wants it because I won't be needing it any more.

I, Dayton Funk, will my muscles to Janice McGrew.

I, Patricia Hanes, will my great height to Myran McClellan.

I, Thomas Harmes, will my curly hair and bashfulness to Jimmy Warner.

I, LaVon Hasselman, will my natural curly hair to Betty Ann McClish.

I, Richard Heath, will my knowledge to Red Mavis as I think he will be needing it.

I, Lynn Johnson, will my motorcycle to David King providing he can find someone with a motorcycle that can go as fast as mine.

I, Elenor Mavis, will my ability to stay single to Lorraine Biggerstaff.

I, Phyllis Miller, will my ability to get a man and keep him to Anita Montgomery.

I, Louis Miller, will my big brown eyes to any girl who wants them.

I, Wayne Orwig, will my ability to get Geometry to Chuck Hampshire.

I, Ronald Parker, will my ability to get along with a redhead to any poor man who needs it.

I, Joyce Perkins, will my noisy disposition to quiet Arlene Zonker.

I, Leo Pfefferkorn, will my ability to sleep in the assembly to anyone who can get away with it.

I, Merritt Shipe, will my ability to run up and down the stairs and get away with it to anyone who thinks they don't get enough exercise walking.

I, Gaylee Snyder, will my ability to get a man to Marianne Gfellers.

I, Donald Stackhouse, will my ability to get a girl and keep her for a long time to Donald Kanaga.

I, Bill Stonebraker, will my ability to shoot straight, think clear, and act fast in any case of emergency to anyone who may be in need of it.

I, Harlin Strite, will my ability to leave girls alone to any guy without money.

I, Evanell Sutherland, will my dog to Miss Dunn who is always running out of gas.

I, Bertha Voges, will my ability to laugh in Miss Gfellers class and get away with it to Johnny Hartman.

I, Donna Walker, will my office job to someone who can make the ditto machine work, because I will have all I can do to keep track of that guy who drives around here in a big green Pontiac.

I, Tuffy Wiler, will my farming ability to Mr. Libey.

I, Joann Wilhelm, will my job at the dry cleaners to Mr. Parker in hopes that it will make his job easier.

In witness whereof, we with our head in the air and our feet on the ground, hereby attach our signatures to our last Will and Testament on this first day of February in the year of one thousand nine hundred and fifty-two.

MEMORIES

JUNIOR-SENIOR-TRIP

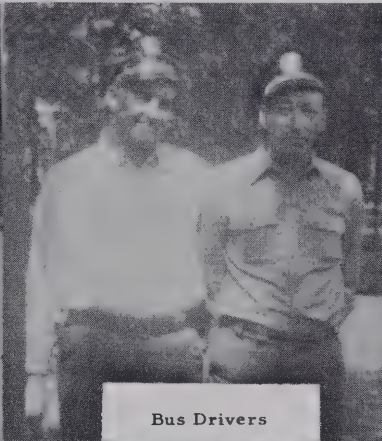

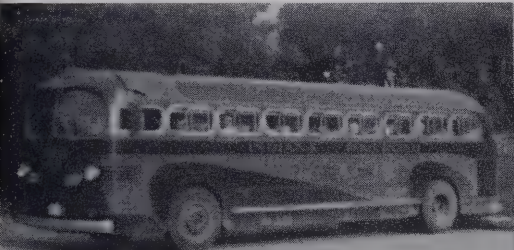

Junior and Senior Trip

After working like beavers all year, we counted our pennies and decided we could take the Seniors on a four day trip instead of the usual three days. So, at 6:00 A.M. on May 16, 1951, fifty-six bright and eager Juniors and Seniors started on their scenic trip through Indiana, Kentucky, and Ohio. Our first day took us through Brown County in Southern Indiana, Indiana University Campus, a tour through a limestone quarry, and on to Louisville, Kentucky, where we spent the first night.

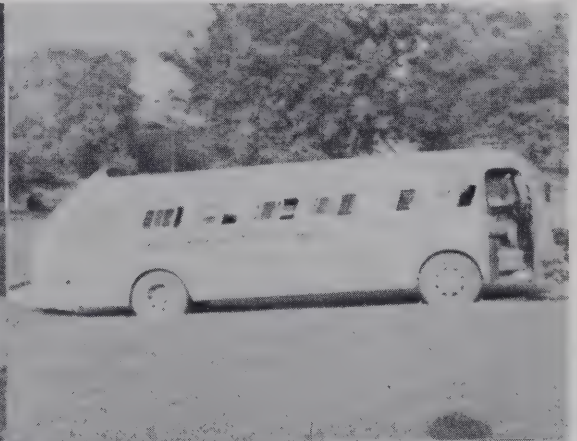

The second day dawned bright and early on another busy day. We again boarded the buses and journeyed to Mammoth Cave. There we took a three hour tour through dark tunnels, steep stairs, and tiny holes in the wall. Everyone came back to tell about it but we wonder HOW as we think back of all the crannies and crevices we crawled through with our lanterns in our hands. That night we stayed in the Mammoth Cave cabins.

The third day found us taking a different tour through another part of the cave. This time we saw a beautiful cave with the stalactite and stalagmite formations, brilliantly lighted. Then on to Lexington we went to spend the night there. On the way we went through the blue grass country of Kentucky, where we saw miles and miles of white painted board fences, big horse barns, and spacious mansions.

On the last day we went to Cincinnati where we divided into two groups, part of us going to the Cincinnati Reds ball game and the rest of us going to the Cincinnati Zoo. Then back to Fort Wayne we came with the Seniors thinking of Baccalaureate the following night; but our trip was completed and we were all a pretty tired bunch.
